

**RECEIVE FREE  
ENERGY-EFFICIENT  
COMPRESSED  
AIR NOZZLES**

# USE LESS ENERGY AND SAVE MORE WITH SIMPLE UPGRADES

Speak with an Energy Advisor and receive **free** energy-efficient compressed air engineered nozzles.

## Benefits include:

- Save up to \$3,600 and 72,000 kWh annually per nozzle
- Meet OSHA standards for dead end pressure and noise level exposure
- Decrease noise level up to 10 dBA
- Reduce CFM use by 75%
- Gain precise, repeatable drying and blow off capabilities
