

Energy Efficiency Program for Business

Get rebates on past projects

If you completed an energy efficiency project after January of 2023, but did not previously receive rebates, you may be eligible for 2025 bonuses and rebates.

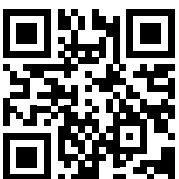

Don't leave money on the table! Our Energy Advisors are here to help.

Past project details:

- Projects completed after **Jan. 1, 2023**, that hadn't previously received DTE rebates could qualify for 2025 bonuses and rebates.*
- Projects must adhere to 2025 program guidelines.
- Prescriptive and custom projects qualify.
- Indoor agriculture measures will adhere to different guidelines. Contact us for more information.
- **Maintenance measures such as chiller, boiler and process tune-ups are not eligible.**
Contact us for a full list of ineligible measures.

**Completed a project
in the last 2 years?**
